

DISCLAIMER

DTS – Dreijer **Technical** Solutions
Version 1.0
Effective Date: July 2026

Disclaimer

Welcome to the website of DTS – Dreijer **Technical** Solutions ("DTS").
By accessing and using this website, you agree to the terms set out in this Disclaimer.
If you do not agree with these terms, please refrain from using this website.

1. General Information

The information provided on this website is intended for general informational purposes only.

Although DTS strives to ensure that all information is accurate, complete and up to date, no guarantees or warranties are given regarding the accuracy, completeness or reliability of the information published.

The content of this website should not be interpreted as professional, legal, financial or technical advice without further consultation.

2. Professional Services

Information published on this website does not constitute an offer, contract or professional advice.

Every organisation is unique.

Recommendations, observations and methodologies presented on this website are intended to provide general insight and should not be relied upon as the sole basis for business decisions.

Professional advice should always be based on the specific circumstances of each assignment.

3. Limitation of Liability

DTS shall not be liable for any direct or indirect damages arising from:

- the use of this website;
- reliance on information published on this website;
- temporary unavailability of the website;
- inaccuracies or omissions;
- technical interruptions;
- viruses or other harmful components beyond the reasonable control of DTS.

Use of this website is entirely at your own risk.

4. Intellectual Property

Unless otherwise stated, all content on this website is the intellectual property of DTS – Dreijer Technical Solutions.

This includes, but is not limited to:

DTS™	DTS FLOW™
logos	graphics
illustrations	texts
methodologies	reports
diagrams	presentations
concepts	operational models
photographs	downloadable documents

No content may be copied, reproduced, modified, distributed or commercially exploited without the prior written permission of DTS.

5. DTS FLOW™

The DTS FLOW™ methodology is the intellectual property of DTS.

Any unauthorised reproduction, adaptation, commercial application or distribution of the methodology, its concepts, visualisations or supporting documentation is strictly prohibited without prior written consent.

6. External Links

This website may contain links to third-party websites.

These links are provided solely for the convenience of visitors.

DTS has no control over the content, availability or privacy practices of external websites and accepts no responsibility or liability for their content.

Visiting external websites is entirely at the user's own risk.

7. Website Availability

DTS makes every reasonable effort to ensure the availability and proper functioning of this website.

However, uninterrupted access cannot be guaranteed.

DTS reserves the right to modify, suspend or discontinue any part of the website without prior notice.

8. Changes

DTS reserves the right to amend this Disclaimer at any time without prior notice.

The latest version will always be published on this website.

9. Governing Law

This Disclaimer shall be governed exclusively by the laws of the Netherlands.
Any disputes arising from the use of this website shall be submitted exclusively to the competent court in the Netherlands.

10. Contact

For questions regarding this Disclaimer, please contact:
